### Letter of thanks

Estonian Public Broadcasting wishes to express great thanks to Mr Howard Temple and Accredited Polygraph Services LLC – performing polygraph testing and lie detector tests for Philadelphia, PA, NJ, and Staten Island, NY – for their assistance and input into preparing our leading investigative program Eyewitness.

Mr Temple provided us with invaluable information, comments and expertise after performing a polygraph test on double Olympic Winner and World Champion in cross country skiing Kristina Šmigun-Vähi in connection to the suspicion by International Olympic Committee of using banned performance enhancing substances.

Mr Temple's interview was included in an extensive program on this topic aired on 19<sup>th</sup> of February 2014 in Estonian Television and later circulated on Estonian Public Broadcasting's websites.

Sincerely yours,

Mihkel Kärmas
