Howard Temple
Accredited Polygraph Services, LLC

Dear Mr. Temple:

You and your team of professionals have performed remarkably well last month in quickly conducting, documenting and presenting the Polygraph and VSA tests in a case our company was handling for a probation issue involving a criminal defendant. A negative outcome would have had grave ramifications for the defendant, resulting in substantial deprivation of freedom. At the very least, if he were to lose, it would have caused an unnecessary strengthening of conditions of his probation for the next 13 years.

Thanks in no small part to your expediency and professionalism, the allegations the government and the Probation Office were conclusively disproven before the hearing. Your reports showed that the defendant was truthful, and that the Probation Office's concerns were unfounded. As a result, the government voluntarily conceded the case, and the Probation Office withdrew their petition as moot and unnecessary.

This spectacular result could not have been achieved without you. We would not hesitate to use your services again for this and any other individuals whom our company will be assisting in the future.

Thank you so much for your help!

Sincerely,
